Harvard ManageMentor 10 Update!*

The Harvard ManageMentor 10 modules are now available:

Features and Benefits include:

- **Get Started:** media-based scenario provides a topic overview, and offers multiple paths through the module content.
- **Learn:** key ideas of the topic with interactive activities such as short video clips of relevant, compelling stories told by leading global business executives.
- **Practice:** real-world, interactive scenario and self-test to check understanding of the concepts.
- **Apply:** practical steps, tips, and tools for applying concepts on the job including downloadable forms and worksheets.
- **Explore Further:** Points to embedded online articles, recommends additional articles and books, and provides source notes for the module.
- **Additional Features:** Audio downloads for MP3 players and functionality to mark users' favorite pages included.
